VISION

We strive to produce well rounded, confident, compassionate, positive young people with an inquiring and fearless mind.

A Miraite must respect the viewpoint of the others and believe in the value of social justice and equality, acquire skills and knowledge to assume responsibility of leadership in whatever path they choose to pursue.

We seek to:

- Enable our students to think critically and creatively while actively engaging with science and technology, for the benefit of a better society.
- Encourage a high order of academic and all round development in students who are equipped to gain an in-depth understanding of the issues facing our planet and make an impact through solutions based approaches.
- Let students' unique personalities flourish while inculcating in them leadership qualities such as empathy, compassion, social responsibility, and positive action so that they can be better global citizens working towards a better tomorrow.

CENTRE OF

Established in 1972 by Mohini Oberoi and Kul Bhushan Oberoi, Mira Model School is an ISO and EMS certified school that has been providing world class education for the past 50 years; with a distinguished alumni who have made an indelible mark globally. Our students are our best ambassadors, who are conscious of their responsibility to actively give back to their community.

1-12 CBSE Certified School

We follow the National Curriculum of CBSE designed to embody the attributes and dispositions as outlined in the National Education Policy. XSEED Curriculum is followed in classes 1-5 rooted in experiential learning while classes 6-12 follow CBSE curriculum.

Pandemic Adaptive E-Learning Facilities

Integrative e-learning suite that has enabled a seamless transition from in-person to online teaching. Regular tech surveys to gauge effectiveness to enable us to keep students engaged.

24:1 Student to Teacher Ratio

The school offers highly personalised student attention with professionally competent teachers who are committed to bringing out the best in your child through growth and development

Mira Educational Resource Centre

A pioneer in innovative educational practices, our professional development centre for academic staff acts as a liaison with other educational bodies to provide teacher skill upgradation while using cutting edge techniques for the benefit of our students.

EXCELLENCE

Excellent All Round Development

The school offers a wide range of sports and extracurricular activities, a strong community service program, educational field trips, interactions with subject experts, along with Model United Nations and Duke of Edinburgh Award program.

University Placements

Career counselling through interactions, fairs, individual guidance has enabled our students to attend premier educational institutions in India such as Delhi University, Ashoka University, JNU, IIT, NIFT, UCMS and Universities in Australia, Canada, UK, Germany, USA.

Globally Distinguished Alumni

Our 50 year strong alumni have made a mark for themselves globally. Through the Mira Max network, they play an active role in helping shape the future of our students and presenting them with opportunities for a brighter future.

Community Service

Through the school's Interact Club, students are actively involved with various community outreach programs throughout the year including working with prominent non-profit organizations that help imbibe and promote strong community values.

Green Campus

The school boasts of a four acre green campus with 100% water harvesting, solar power, composting and paper recycling that help the campus maintain a low carbon footprint.

FACILITIES

Medical Room with Full Time Nurses

Our on-campus medical room is staffed by competent nurse who provide first aid and basic nursing care to injured and unwell students.

Student Support Centre

Rooted in the strong belief 'that no child should be left behind', the school has a Student Support Centre which caters to children with special needs under the supervision of trained Special Educators and Counsellors.

Spacious, Well Lit and Ventilated Classrooms

Spread over four academic blocks, our classrooms are large, bright and well ventilated making for a conducive learning environment for each student.

State of Art Sports Facilities

The school has three sport climbing walls, a soccer and cricket ground, and courts for basketball, volleyball, badminton and tennis. A well curated sports curriculum and after school sports activities are offered.

Dedicated Laboratories

We have labs for Physics, Biology, Chemistry, Biotechnology, Computer Science, Maths and English. The school also has an ATAL Tinkering Lab supported by Niti Aayog, on campus to promote design thinking and innovation among young minds.
